## **COMMUNITY ASSESSMENT—PARTICIPANT SURVEY**

**INSTRUCTIONS:** We are making a big push to collect surveys from *Community Action program participants by December 15.*

Please use email, texts, in-person contact, or any other means to get the word out! Below are some messages to use. **Important:** note that there is one link and QR code for a survey that can be taken in **both** English or Spanish. There is a **separate** link for a translation in Russian and another **separate** link for a translation in Haitian Creole. See below for messages and links in each language.

The direct link to the survey is now ACTIVE. I would like to provide you with **paper surveys** for those that prefer that method. They are available in English, Spanish, Haitian Creole, and Russian. *Please tell me how many copies you need* by emailing Becky Himlin at [rhimlin@communityaction.us](mailto:rhimlin@communityaction.us). When you've collected a bunch of surveys, please return them to the front reception at 393 Main St. Let me know if you have questions or need help.

I have **flyers and postcards** for each program to help encourage people to take the survey using the QR code. *Let me know how many of these you want!*
